

Make your own Jazzy Card.

Supplies: One sheet of colored 8.5 x 11 paper, one pattern, scissors, crayons, and glue

Fold the colored sheet of 8.5 x 11 paper in half, then in half again to make a card.

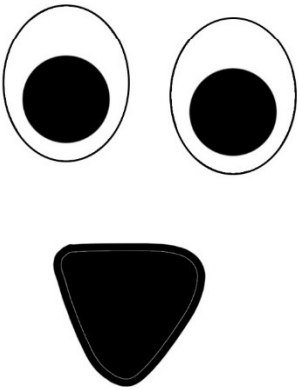

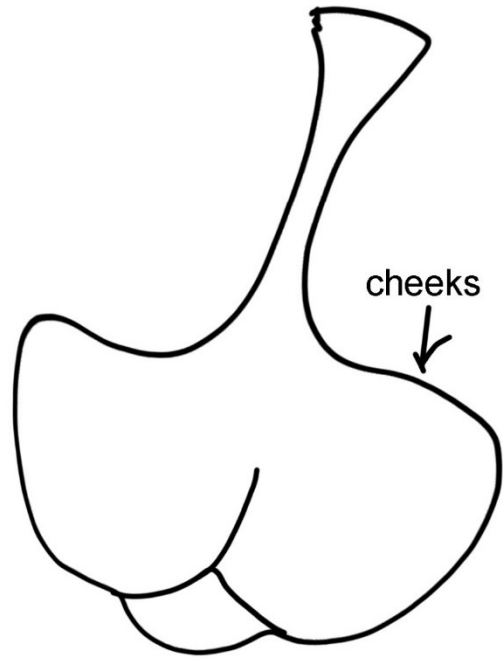

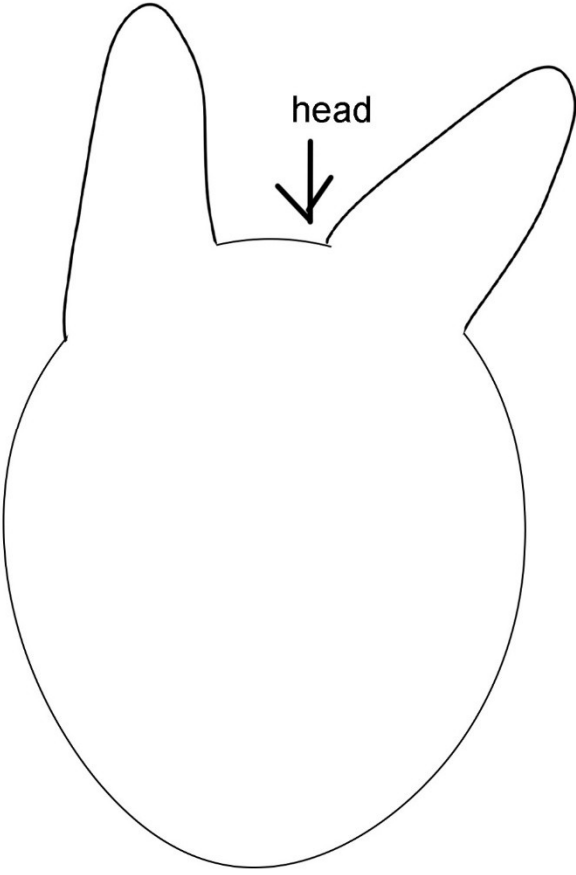

Color the head.

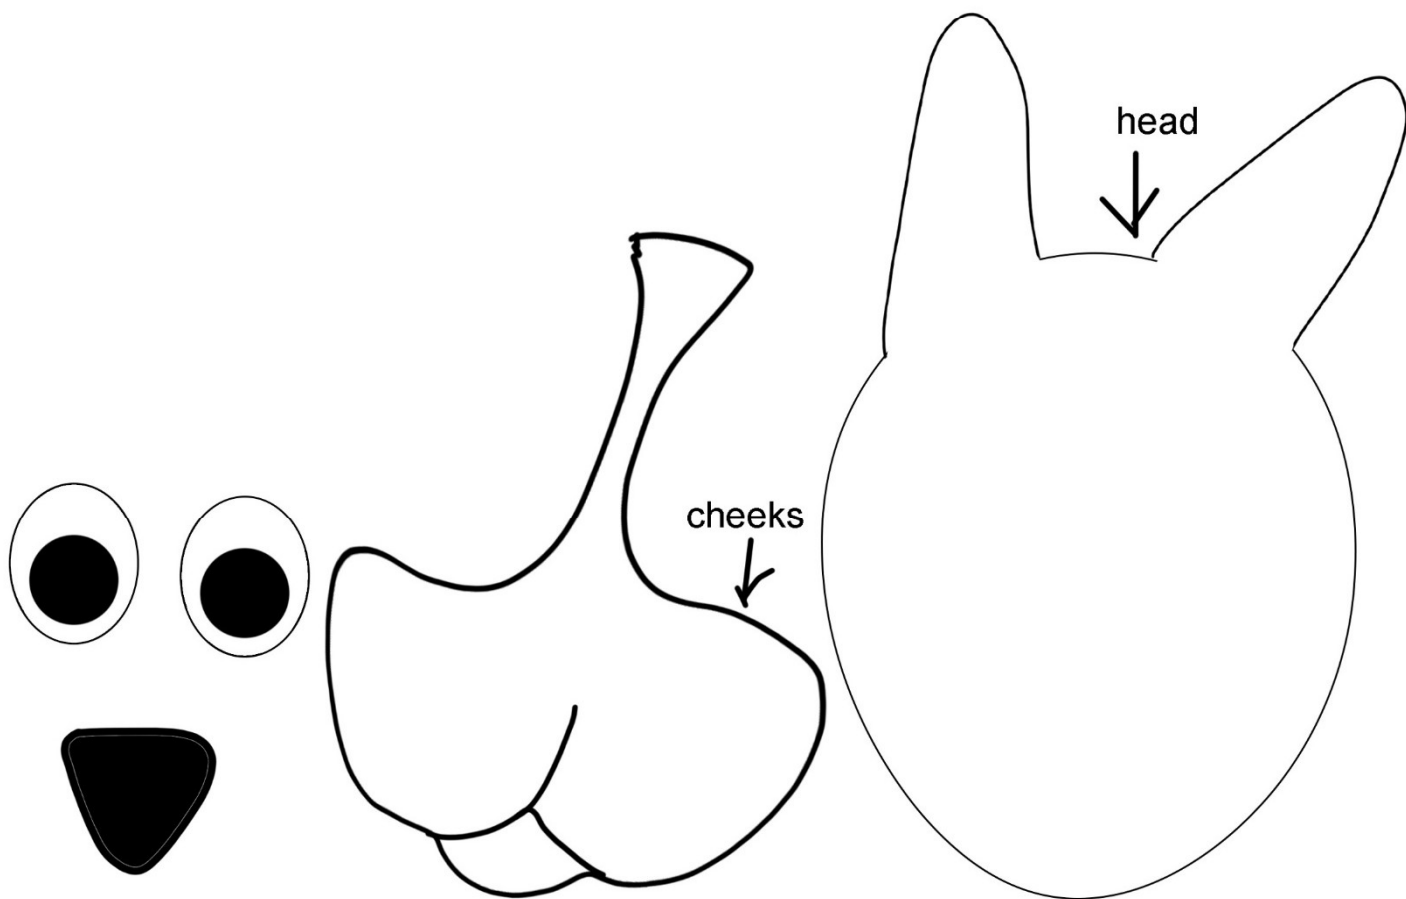

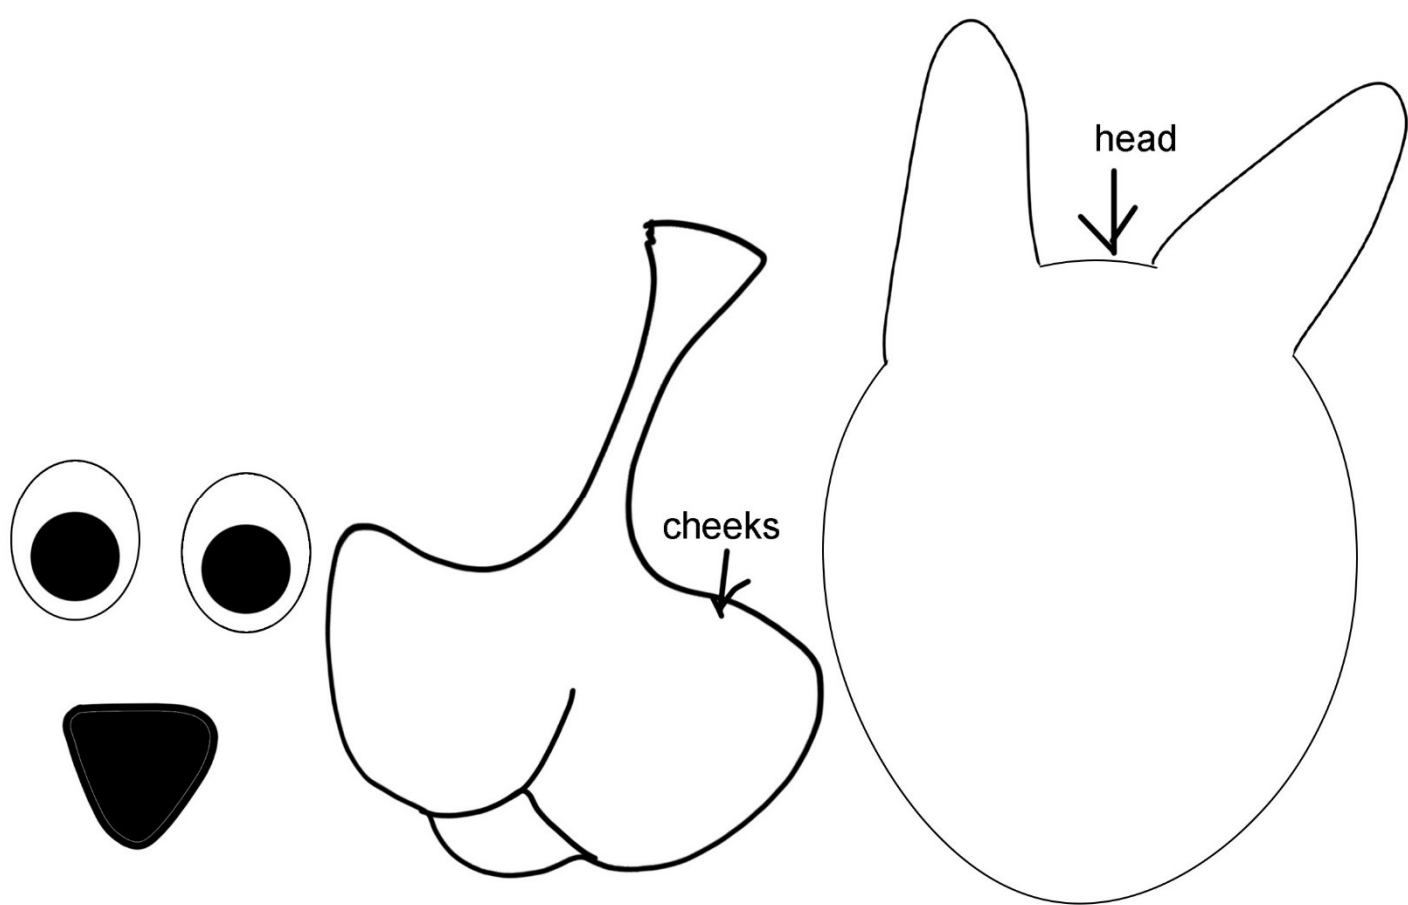

Color the cheeks a different color.

Cut out all the shapes and fasten in order to the card: Head first, (Don't glue the very tips of the ears.) then the cheeks, (line up the bottoms of each illustration) then the nose (in the middle of the cheeks) and eyes.

Bend ears forward.

Add freckles and whiskers to cheeks.
